What do we eat?

Because Pine Valley has no convenience stores and only one restaurant, most of your meals will take place in The Family Lodge dining area. The kitchen is stocked with all of the cooking appliances and tools your family will need; all you need to provide is the food and conversation!

Use the included Meal Planner at the back of this guide to plan your meals and shopping list ahead of time. Because The Family Lodge does not provide any food items or spices and there are no nearby stores, it is essential that you plan your meals and shopping list accordingly. The nearest grocery stores are St. George, 35 miles south of Pine Valley, and Enterprise, 22 miles northeast of Pine Valley.
